

## Program Summary

Malawi's program is focused on improving the legislative and judicial branches, providing support for lead anti-corruption agencies, strengthening independent media coverage and expanding and intensifying the work of civil society organizations.

## Program Highlights

- On December 12, 2007, the Millennium Challenge Corporation (MCC) chose Malawi as compact eligible for fiscal year 2008.
- Equipment for the Integrated Financial Management Information System Disaster Recovery Site was fully installed and successfully tested.
- The Financial Intelligence Unit is functioning, receiving and analyzing reports of suspicious financial transactions.
- The 13 parliamentary committees continued to meet and receive technical assistance from the State University of New York despite the National Assembly being under prorogation by the President.
